The Innstrata Suite

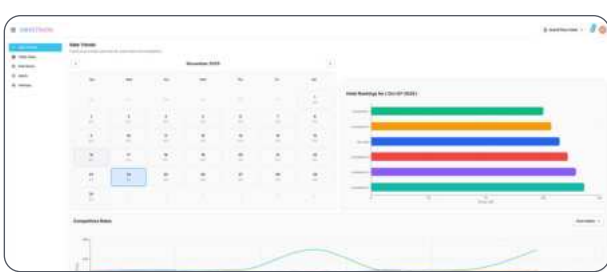

GuestBan

ID scanning, network DNR, and background screening to protect your property and speed up check-ins.

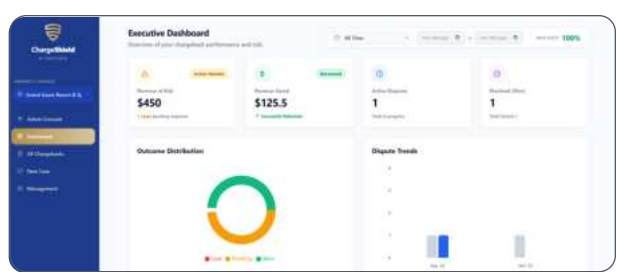

Engage

Automated email and SMS promotions to drive repeat stays and increase direct bookings.

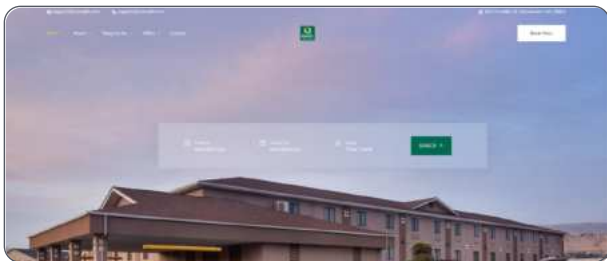

RateIQ

Real-time competitor rate tracking and pricing insights to help you price smarter and stay ahead of your market.

ChargeShield

Chargeback defense with automated evidence collection and faster dispute submissions.

Presence

Direct booking websites with SEO, local content, and booking redirection designed to reduce OTA reliance.

Why Hotels Choose Innstrata

- Faster check-ins with less manual work
- More direct bookings and lower OTA costs
- Smarter pricing and competitive insights
- Fewer chargebacks and reduced revenue loss
